

SEC- 0002

Company Security Officer

Introduction

As an MCA approved provider of Company/Ship Security Officer training MTCS Limited are now offering training and support service to Company and Ship Security Officers.

Training Content

The aim of this MCA approved training programme is to provide company officers and managers with the knowledge and skills to carry out his/her duties as a designated Company Security Officer (CSO) in accordance with the International Ship and Port Facility Security (ISPS) Code.

The following subjects are covered:

- Security threats and patterns
- Recognition and detection of weapons, dangerous substances and devices
- Recognition of characteristics and behavioral patterns of persons who are likely to threaten security
- Techniques used to circumvent security measures
- Security search and appropriate actions on persons, cargo, baggage etc.

Training Facility

The training will take place at the Offshore Marine Academy premises in Bristol and will be delivered by MTCS. Full training facilities with individual work stations will ensure every course participant receives full hands-on experience throughout the course.

Duration

This programme will be delivered over a 4 day period.

Cost

£860.00 plus VAT.

Starting Date

Tuesday 20 March - Friday 23 March 2012

Tuesday 31 July – Friday 3 August 2012
